The MN DFL Party is in partnership with Action Network to provide this email tool.

1. The MN DFL will charge all organizing units per the pricing structure listed on the second page for the described number of emails.
2. The MN DFL will invoice organizing units on a monthly basis, with the total monthly amount due 15 days from the date of invoice. Invoices will be sent electronically through email.
3. If bills are not paid 15 days after the original invoice, the MN DFL reserves the right to deactivate the organizing unit's account.
4. The use of this tool is explicitly for candidates seeking the DFL endorsement, or those that have been endorsed. We will not facilitate the usage of this app for candidates that challenge DFL endorsed candidates, meaning if you do not receive the DFL endorsement, the MN DFL will deactivate your account.
5. The services provided by Action Network are supplied only for the use and benefit of the MN DFL and its candidates (whether for primary or general elections), and endorsed campaigns. All other uses are strictly prohibited.
6. Action Network and the information and features held within may never be used in any manner injurious to MN DFL, its committees, its duly elected nominees for any office or any affiliate of MNDFL. Similarly, Get Thru and the information and features held within may never be used in any manner contrary to the laws of any jurisdiction.
7. All use of the services provided by Action Network are subject to the State Party Reseller Agreement between the DFL and Action Network. The DFL does not represent or warrant the quality or suitability of such services.
